- Data visualization and analysis

TECHNICAL SKILLS

- **Figma, Rive** for mid-to-hi fidelity interactive wireframe and interface design
- **Loveable, Claude Code** for rapid prototyping and back-end handoff
- **Adobe InDesign, Illustrator, Premiere Pro** for visual design and video editing
- **HTML5, Tailwind CSS, React, Unity Engine** for interactive website and app development
- **Cascade CMS, Wordpress** for website management and data entry
- **SQL, Python, R** for data analysis and visualization

ABOUT ME

Information Designer with 15 months of hands-on experience designing user-focused interfaces, conducting moderated usability research, and delivering interactive Figma prototypes and developer-ready front ends.

I specialize in translating complex, multi-step userflows into simplified, testable UIs and gathering valuable insights and data from real users to guide design and development.

PROFESSIONAL EXPERIENCE

GRAPHIC DESIGN & WEB DESIGN CONSULTANT MOUNT ROYAL UNIVERSITY CAREER SERVICES

MARCH 2025 - SEPTEMBER 2025 (PART TIME CONTRACT)

- Designed and iterated website layouts and low- to mid-fidelity wireframes to improve navigation and content clarity for student-facing pages using Cascade CMS.
- Collaborated with Career Services staff to align visual direction to brand goals and translated stakeholder feedback into prioritized UI changes and delivery-ready assets.
- Delivered banners, page templates, and content handoff artifacts to accelerate implementation and ensure consistency across web and email channels.

MARKETING & STREET TEAM INTERN HERITAGE PARK HISTORICAL VILLAGE

JUNE 2024 - SEPTEMBER 2024 (TEMPORARY INTERNSHIP)

- Engaged with Calgarians directly with promotional materials to build awareness of upcoming Park events and attractions, driving on-site audience connection.
- Developed visual social media assets showcasing daily Park activities to support a consistent and engaging digital presence across active channels.
- Managed public event listings and tracked platform metrics to surface insights and inform ongoing marketing activity.

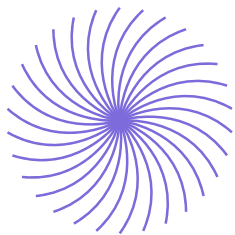

MARKETING & COMMUNICATIONS ASSISTANT NORDIQ ALBERTA

MAY 2023 - AUGUST 2023 (WORK EXPERIENCE CO-OP)

- Spearheaded visual design for new marketing campaign to spread brand awareness and promote cross-country skiing across Alberta.
- Translated campaign strategy into delivery-ready assets including online ads, social media videos, and print banners aligned to brand identity.
- Authored internal and external press releases and supporting documents to ensure clear, consistent communication across stakeholder audiences.
